

## **“Methodological innovations for the comparative analysis of anti-immigrant sentiment”**

Workshop @ IESA-CSIC, Córdoba, March 13-14, 2025

### **PROGRAM**

#### **Thursday (13/03)**

9:00 – 9:15 Welcome & introduction

- Rafael Serrano del Rosal (director, IESA-CSIC)
- Sebastian Rinken (IP, MAPP project)\*

9:15 – 12:15 SESSION 1 (including coffee break)

#### **Attitudes toward immigration and immigrants: context profiles and explanatory factors (I)**

- Álvaro Mariscal de Gante (IESA) & Rafael Zambrana (Universidad Pablo de Olavide)
  - o **Country report SPAIN**
- Andrea Turkovic (University of Milan)
  - o **Country report ITALY**
- Eszter Farkas (HUN-REN Center for Social Sciences, Budapest) & S. Rinken (IESA)
  - o **Country report GERMANY**

12:30 – 14:00 SESSION 2

#### **The GESIS Panel: A Data Collection Infrastructure for the Social Sciences**

- Steffen Pötzschke (GESIS - Leibniz Institute for the Social Sciences)

*NB: This session will be streamed*

16:00 – 18:30 (18:45 MAX) SESSION 3

**Attitudes toward immigration and immigrants: context profiles and explanatory factors (II)**

- Eszter Farkas (HUN-REN)
  - **Country report HUNGARY**

**Fielding the MAPP survey – constraints and options**

- Manuel Trujillo & Sebastian Rinken (IESA)
  - **Non-prob and probability-based online panels: an overview**
- Steffen Pötzschke (GESIS) & Sebastian Rinken (IESA)
  - **Comparing non-prob and probability-based data: added mileage for MAPP?**

**Friday (14/03)**

9:15-13:30 SESSION 4 (including coffee break)

**Survey experiments for gauging anti-immigrant sentiment:  
potential, trade-offs & proposed design**

- Eszter Farkas (HUN-REN), Álvaro Mariscal de Gante (IESA), Rafa Zambrana (UPO), Riccardo Ladini (U Milán), Sebastian Rinken (IESA)
  - **CONJOINT**
- Andrea Turkovic (U Milán), Riccardo Ladini (U Milán) & Sebastian Rinken (IESA)
  - **SWITCH**

13:45-14:00 Roundup & farewell

- The MAPP project (“Measuring Anti-Immigrant Sentiment: Prevalence & Predictors”, due to run from 2024 through 2028, is funded by the Spanish Ministry of Science & Innovation (PID2023-149034OB-I00). We gratefully acknowledge the financial support received from the Andalusian Association of Sociology (AAS) for the celebration of this workshop.
